4. Discuss school renting out the gymnasium on Friday, March 3, 2023 for a Reptile Show through Crosstown Exotics for approximately 150 people.

I explained that a school was interested in renting out our gym on a Friday night for a reptile show. I wanted the Board to be aware that there would be various reptiles out of their cages in a very controlled way. This business has 5 stars and has a history of being safe. The Board was ok with moving forward with this.

5. Discuss options for Pickleball using our current Tennis Courts and possibly the gym indoors.

Mayor Hastings asked me to look into Pickleball for both indoor and outdoor usage. Currently our gym is not being used during daytime hours. For indoor usage we would need to have a portable net. I said I would gather more information and discuss at the next meeting. It was noted that in other towns the pickleball courts are packed. The Board was ok with us moving forward with this.

6. Discuss Silver Sneakers and/or similar programs that offer incentives for people 55 and older to access workout facilities in their areas.

Mayor Hastings also asked me to look into the Silver Sneakers program for our workout facility that will be offered once construction is finished. I was able to offer some basic information, and I mentioned I had phone calls and emails that have been sent to get more information on if this program would be beneficial for us. Finally, the Board was ok with us moving forward on this

7. Other- Miscellaneous.
