

ORLAND HILLS HAVEN AVENUE RECONSTRUCTION

PUBLIC INFORMATIONAL MEETING

January 25, 2012

Name:

Address:

If the tree at your address will be adversely impacted by the construction activity, what species would you prefer as a replacement? Orland Hills will make every effort to implement your choice of tree, however the final implementation scheme will be developed based on availability and planting schedule.

- Autumn Blaze Maple
- Thornless Honeylocust
- Swamp White Oak
- Littleleaf Linden
- Gingko
